Experience

Ananda Art and Tattoo, Denver, CO 2010-Present
Tattoo Artist

- Proficient in developing designs under pressure
- Design and execute original, custom body art
- Effective in establishing client relations that garnish repeat business
- Actively market the shop with new design signage and shop collateral
- Autonomously maintain accounting, scheduling, and stocking of supplies
- Respect all practices as required by the City and County of Denver Department of Excise and Licenses
- Meet and maintain all requirements through training issued forth by the American Red Cross, as required to obtain currency with the City and County of Denver

Metropolitan State University of Denver, Denver, CO 2009-2014
Peer Counselor, Office of Financial Aid and Scholarships

- Supervised 15-20 student advisors in financial aid guidance and customer service
- Organized and managed schedules of all student advisors on a biyearly basis
- Acted as a helpful contact for students as they navigated online files, accessed account information, and sought administrative advice
- One of six members of the hiring board for full time scholarship counselors in Spring of 2013
- Ensured student issues were eradicated with diligence and care

Philosophy Communication, Denver, Co Aug.-Dec.2013
Graphic Design Intern

- Contributed to group brainstorm sessions for new marketing campaigns
- Conceptualized, and designed identities bought by million dollar corporations.
- Conceived and mocked up ad campaigns for clients
- Created graphic emblems, and elements to be used in client collateral
- Presented creative projects to clients
- Worked as a graphic illustrator on several projects.
- Performed under tight deadlines and short notices in order to meet client expectations
